Early Education

2011 Statement of Public Support for the Tennessee Alliance for Early Education

By signing below, I join the Alliance for Early Education in supporting the full funding of pre-kindergarten programs in Tennessee. I believe that early education is critical to the continued success of our children, and I pledge to assist the Alliance in its efforts.

I agree to join the Alliance for Early Education and to take action in support of pre-kindergarten legislation. Such actions may include writing a letter or placing a telephone call to my elected representative(s) in the General Assembly, submitting guest columns and letters to the editors of my local newspapers, and more.

I agree to allow the use of my name and the name of my organization in campaign materials.

Members of the Alliance will receive regular legislative and campaign updates, and will be asked to forward information to any appropriate personal contacts.
